

GE Adora Front Loading Washer and Dryer

We are moving across the country and cannot take our appliances with us. We did a lot of research before purchasing our washer and dryer 2 years ago. They are extremely energy efficient and have been just fantastic! This is a great deal!

- Purchased new in June 2006 (original receipt available)
- Energy Star efficient
- Available immediately (must sell by May 28)

\$1200 for the pair*

*negotiable

Washer (retail \$1000):

<http://products.geappliances.com/ApiProducts/Dispatcher?REQUEST=SPECPAGE&SITEID=GEA&SKU=WHDVH626FWW>

3.7 cu ft high capacity washer has 26 wash cycles ranging from “delicate” to “disinfect”. Load-sensing adaptive fill ensures the right amount of water is used for each cycle. Washer is energy efficient too with Energy Star rating.

Dryer (retail \$850):

<http://products.geappliances.com/ApiProducts/Dispatcher?REQUEST=SPECPAGE&SITEID=GEA&SKU=DHDVH52GFWW>

Huge 7.0 cu ft capacity can dry nearly anything. Dryer uses clean, efficient Natural Gas for heat and Sensor Dry Plus technology means the dryer stops when the clothes are dry. No wasted energy!
